

# The TapeThing™

**It's Magnetic.**

Never Lose It.  
Never Chase It.  
Never Waste It.

How much tape is wasted in your shop?

**Shops throw away thousands of dollars in time and money on lost, damaged or otherwise misplaced**

**tape. The Tape Thing** is a NEW, exciting, patented **MAGNETIC** tool that sticks tape to booth walls, prep carts, tool boxes, or any other metal surfaces. Tape spools off easily from your hand too! Use this in conjunction with our **NEW** product **The Tape Caddy** and keep everything a paint tech uses directly on the hip. Use this and other Collision Edge products to improve your shop today!
